Volunteer Update

September 21, 2023

Sent on behalf of Peggy O’Kane, Coordinator, Academic & Volunteer Placements

I hope this update finds you all in good health and high spirits. As the month of September draws to a close, it is time for our monthly volunteer update to keep you informed about the latest happenings and upcoming events at HDGH.

Recapping August's Achievements: First and foremost, I want to extend my heartfelt gratitude to each and every one of you for your unwavering dedication and hard work throughout August. Together, we accomplished incredible feats: - Our team contributed over 656 hours of volunteer service across campus, making a lasting impact on the lives of those we serve.

We are thrilled to announce that our new VICNET app will be launching soon! The new VICNET app for Apple and Android devices is designed to enhance your experience with our services by providing convenient features right at your fingertips. With this app, you will have the ability to manage your schedule, update your profile information, and receive important information from us. There will be a desktop version as well which can be accessed in a web browser of your choice. Expect to receive complete details within the coming weeks.

As the holiday season approaches, we are excited to plan for this year's holiday gathering. We value the amazing work and dedication you have shown as a volunteer, and we would love to celebrate the season of giving with you. Given the progress we have made in recent times, we would like to gauge your interest for an in-person gathering. The event promises to be a wonderful opportunity for us to reconnect, celebrate the holidays, and express our appreciation for your contributions. Please take a moment to let us know if you would be willing to attend our holiday gathering in person by completing our anonymous poll linked below. Your response will help us plan accordingly and ensure a safe and enjoyable event for everyone involved.
