SAFETY FIRST

KEY MESSAGES

All staff and physicians must wear a mask and eye protection at all times, regardless of your ability to physical distance, when on our campus (inside and outside).

If you have your own office, you must put on your mask and eye protection before someone enters. For those entering offices, please be respectful and allow the individual to place a mask on before you enter. For those individuals in shared office space you can have your space assessed by our IPAC team. If you are interested in having an assessment completed, please contact a member of our IPAC team.
